

## "Chasing Balloons" - Romantic Comedy

Jack and Vicky are about-to-be-married morning radio icons in Raleigh, North Carolina. Their zany show, filled with wacky stunts, is the talk of the town. Jack is a homegrown talent. Vicky is from New York. So, when a job offer comes that would take their act back to her hometown, she's thrilled. Jack's not.

The move means a postponement of their wedding -- and a major upheaval in their lifestyle. It also means saying goodbye to old, trusted friends and hello to new people who may, or may not, be dependable.

The stress pulls the couple in opposite directions. But, love and good friends - new and old - might just pull out a happy ending for everyone.
